Circle B Return Process:

In order to provide you with the service you deserve and get returns processed in a timely manner, please follow our return guidelines below.

- All returns need to be sorted prior to us picking them up. Separate returnable material from non-returnable material.
- All returns must be in **RE-SELLABLE CONDITION** or no credit will be given.
- All exterior type materials (framing material, siding, roofing, etc.) need to be stacked at jobsite, in minimal piles, and accessible so our forklift can pick up and set on our trucks.
- All interior type materials need to be placed in the garage or in an area protected from the weather, and in a pile for us to pick up.
- Circle B will not pick up **non-returnable material** such as:
 - Boards with nail holes, boards or product covered in mud or concrete, materials with saw marks, etc. See do's and don'ts pictures below.
 - Items or products with torn, wet, or discolored packaging.
- All **Special Order** returns are subject to inspection and return approval from the vendor before credit will be given.
- All **Special Order** returns are subject to a vendor re-stocking fee (where applicable).
- All stock returns are subject to inspection by Circle B personnel to determine if it is in resellable condition or not.
- All items that are **non-returnable** are placed in our refused return pile for a maximum of two weeks. After two weeks the items will be disposed of.
- At times it can take 2-4 weeks for returns to be processed from start to finish before credit can be given. Your cooperation in following our return process will help speed this up.
- At times, special order returns will take even longer due to vendor availability, inspection, and approval.

Thank you in advance for your cooperation in the handling and processing of your returns. Our objective is not to be difficult, but to minimize unacceptable lumber and other materials from being put back into our stockpiles and then ending up at your jobsites, creating delays and inconveniences for you. We are here to serve you.
